

# *Puligny-Montrachet*

Les Levrans

Puligny-Montrachet is a white wine of distinctive character and high repute.

Grape variety: 100 % Chardonnay

Colour: White

Production surface area: 0,18 ha

Aging potential: 5 to 6 years

Service Temperature: 11 to 13 °C

#### **Terroir:**

Les Levrans is located at the bottom of the Puligny slopes, north of the village; the soil consists in limestone with patches of marls and limestone clays.

#### **Tasting notes:**

This is an elegant wine consisting in a pure aromatic blend combining grace with a well marked personality and concentration; the bouquet is redolent of hawthorn, hazelnut, amber, lemon-grass and apple with mineral and milky notes. A pleasant wine well balanced and full of freshness.

#### **Serving suggestion:**

Best as an apéritif or with fine fish and shellfish.
