Accolades for the 2021 'Cœur de Vallée'

“A screaming good effort... flawlessly balanced and elegant”

“The 2021 ‘Cœur de Vallée’ is a screaming good effort displaying a rich, full-bodied, layered, and powerful style that somehow manages to **stay flawlessly balanced and elegant**. Jammy currants, dark chocolate, tobacco, black olive, and lead pencil shavings all define this **remarkable 2021**, which is deep purple-hued and has ripe, polished tannins and **flawlessly integrated fruit, oak, tannins, and acidity**. It deserves 4-5 years in the cellar and should hit full maturity a decade after the vintage. It will keep for 30+ years.” 98 points, *Jeb Dunnuck, JebDunnuck.com, December 2023*

“Wonderful freshness, with firm, plush tannins”

“The 2021 ‘Cœur de Vallée’ is deep garnet-purple in color. After a little swirling, the nose erupts with scents of boysenberry preserves and blackcurrant jelly leading to nuances of wild sage, violets, and underbrush plus a hint of tapenade. The **medium to full-bodied palate** has wonderful freshness, with firm, plush tannins and bags of black fruit and mineral layers, **finishing on a lingering mineral note**.” 98 points, *Lisa Perrotti-Brown MW, The Wine Independent, February 2024*
