MANICURED VINEYARDS, CLASSICAL WINEMAKING & CREATIVE ARTISANSHIP

Luc and Jodie Morlet handcraft *vins de terroir* and unique cuvées from the Napa Valley and Sonoma Coast under the Morlet Family Vineyards label. The historic winery is located in St. Helena, and their Cabernet Sauvignon and Cabernet Franc ‘Cœur de Vallée’ vineyard is situated in the renowned Oakville appellation. Robert M. Parker, Jr. has proclaimed that Luc, who was raised and educated in France, “is not only a fabulous winemaking talent, he knows how to bring the French savoir-faire of complexity, elegance and precision to the ripe, concentrated, intense fruit of California.” Luc’s unwavering commitment to quality and low-intervention winemaking techniques produce powerful, yet refined wines that display personality, seamless character and graceful aging capability. Having received tremendous accolades and international recognition, the highly sought-after wines are available to the winery’s mailing list and can be found at the finest restaurants and specialty wine shops around the world.
