MALABRIGO
2021

CHARACTERISTICS OF THE HARVEST

The 2021 vintage saw mild Spring temperatures, abundant rainfall in April and a summer with temperatures slightly lower than usual, which slowed the plants' vegetative cycle. Rain was scarce at the beginning of Autumn, promoting the ripening of the grapes.

WINEMAKING PROCESS

Its alcoholic fermentation is made at a controlled temperature in steel tanks for 26 days followed by malolactic fermentation for 30 days in French oak barrels. It is aged in French oak barrels.

TASTING NOTES

Shows a cherry red color, bright and intense, with an elegant tear in the glass. On the nose, it is a very expressive wine, with ripe black fruit and the subtle presence of wood, accompanied by warmth and balsamic touches. On the palate, it extends with a long, seductive and sweet taste, where the soft tannin joins harmoniously with the fruity notes and the nuances of the oak, offering a captivating experience.

STORY

Malabrigo is the name given to our most emblematic vineyard. The plots characteristics are its loamy and sand-clay soils and the extreme climatic conditions with important temperature fluctuations between day and night. All of these aspects give a great importance to the concept terroir aiding it to reach extraordinary levels and gives it character.
