The Château Montrose Bicentenary Case & More

Celebrating more than 200 years of **Château Montrose's history**, we have crafted a unique **collector case**, a limited edition of **200 numbered pieces**. This presents an unparalleled chance to own a collector's item embodying the meticulous craftsmanship dedicated to our wines annually.

It consists of a trilogy of 3 exceptional 2L bottles : 2014, 2016 and, of course, 2015, the bicentenary vintage. An invitation to **a journey of 3 legendary vintages**, each expressing three rich and varied expressions of the Montrose terroir. Three of the estate's "**Grands Classiques**".

Tailored to perfection, this distinctive case is brimming with surprises. Concealed within its wooden drawer lies a cigar box, a sophisticated gaming set, and a plethora of other hidden treasures. It's not just an artwork; it's **an invitation to moments of camaraderie and conviviality**. For further details, please follow this link :
