THE 2019 VINTAGE

A special vintage with near-perfect conditions that also celebrates a significant year for our family. 2019 marks our family's 100th consecutive harvest in these golden hills of California. A journey in wine that began with our great-grandparents Cesare and Rosa Mondavi with the 1919 vintage and continues with us in this vintage of RAEN.

We chose to commemorate this 100th anniversary by adding an emblem of the endangered Monarch Butterfly to each label. This reminds us of our connection and responsibility to nature and the land, as well as our history and how we choose to define the next 100 years in wine. We have always felt blessed and fortunate to have our roots continue to grow in this land that we love so much.

FORT ROSS-SEAVIEW

Varietal	PINOT NOIR
Vineyard	4.8 ACRES
Farming	ORGANIC, REGENERATIVE, & BIODYNAMIC PRACTICES
Soils	FRANCISCAN COMPLEX
Clones	777 & DIJON
Fermentation	100% WHOLE CLUSTER & NATIVE
Annual Production	800 9L CASES
Associate Winegrower	MELANIE MCINTYRE
Proprietors / Winegrowers	CARLO & DANTE MONDAVI

Our 4.8 Sea Field Vineyard (monopole) produces our most elegant wines year in and year out. This unique vineyard site was once an ancient sea floor of diverse marine soils and fractured bedrock dating back as far as 200 million years. Soaring 1,500 feet above the Pacific Ocean and less than 2 miles from its waters, Sea Field is both our most coastal and highest-elevation site. The combination of these elements is what makes Sea Field so unique and a wine of pure elegance. Rose petal, white tea, blood orange pith and the edge of a coastal forest meeting wet rocks fill the bowl. Crushed raspberry, wild strawberry, sea moss, exotic spice, coastal chanterelles, rhubarb and floral tones linger on your palate with a seemingly everlasting finish.
