

CÔTES DE PROVENCE 2020

Grapes grown from some of the most choice land in the surrounding region of La Motte en Provence, consisting primarily of Grenache, Cinsault and Vermentino .

Harvesting at sunrise to noon.

The grapes which are used to make Whispering Angel are sorted optically.

Destemming and slight crushing at 7-8°C to avoid oxidation.

Both the free run juice and pressed juices are vinified in stainless steel.

“Batônnage” is twice weekly.

Temperature controlled.

*I have just tasted the very first bottle of 2020 Whispering Angel Rosé and it is sensational. The haunting, canteloupe-tinged aroma, silky texture and bracingly dry finish mark this as a stunningly balanced vintage. Chapeau!*

*Very pale apricot-pink color. Delicate aromas of sliced apple, pink grapefruit, peach, cream and stones follow through to a medium body and crisp acidity. Deliciously creamy and smooth. Drink and enjoy.*

*Pale peach in colour, this 2020 wine very youthful with some pear drop character that will subside, a little cherry note and soft red berry fruits. On the palate Whispering Angel's trademark combination of elegant, cool precision with very easy-going, open and attractive fruitiness. Nicely textured, the raspberry fruit and edge of acidity is ripe but bone dry, and there's a hint of stony minerality adding to the sophistication of the finish.*
