EMILIO MORO

Vendimia Seleccionada

2019

STORY

Through this wine, Bodegas Emilio Moro seeks to relive and honour the history and tradition of Emilio Moro.

CHARACTERISTICS OF THE HARVEST

The 2019 vegetative cycle was preceded by the April rains. However, from the middle of spring until the end of summer, the year was characterised by scarce rains and temperatures higher than expected. The harvest began after a few rainy days, which helped to balance the grapes' composition and resulted in a year of extraordinary quality and optimal health.

WINEMAKING PROCESS

Fermented at a controlled temperature in stainless steel tanks and aged in French oak barrels.

TASTING NOTES

An intense cherry-red colour. Clean and elegant on the nose, Tempranillo nuances are the main actors, enriched by spiced and resinous notes. Development in the glass is excellent, where the tertiary aromas blossom, yet the great single-variety character of this wine is never lost. Meaty and rounded in the mouth with ripe tannins and balanced acidity. A red wine with a long and persistent aftertaste.

TECHNICAL DETAILS

Appellation: Ribera del Duero

Soil: Clay

Location: Pesquera de Duero

Orientation: South-west

Malolactic F: 30 days in stainless steel deposits

Variety: Tempranillo

Ageing: French oak barrels
