

MARCHAND-TAWSE
GRANDS VINS DE BOURGOGNE

2020
LADOIX
LES GRÉCHONS ET FOUTRIÈRES
PREMIER CRU

• SYNOPSIS OF THE WINE •

THE VINE

Grape variety : Chardonnay

Soil : The soil is very stony and particularly rich in limestone and marl.

THE VINIFICATION

Maceration process : Whole bunch pressed, lightly crushed.
Alcoholic and malolactic fermentation in barrels, "sur lies" without "batonnage".

Pressing : Pneumatic press

THE AGEING

Total élevage : 16 months

Oak used : French oak casks from Tronçais and Allier forests. 25% new. Light and long soft toast.

Operations performed during ageing : One racking before bottling

Filtration : fining followed by light filtration
