LE MILLÉSIME D'UN SIÈCLE

2020,

LE MILLÉSIME D'UN SIÈCLE !

Existe-t-il un millésime plus symbolique pour la famille Cuvelier que celui qui signe le centenaire de leur acquisition du Second Grand Cru Classé de Saint-Julien ?

Pour Sara Lecompte Cuvelier, quatrième génération à incarner le domaine, ce millésime historique méritait un écrin à la hauteur de l'événement.

Une bouteille unique aux détails sérigraphiés en or qui rendent hommage à la force immuable de Léoville Poyferré : son terroir aux multiples facettes.

“ C'est avec émotion et fierté que nous vous dévoilons notre 100ème millésime, fidèle au style des grands Léoville Poyferré, et reflet du terroir d'exception qui le compose. ”

Sara Lecompte Cuvelier

A PROPOS DE NOS VINS

L'origine de Léoville remonte à 1638. Suite à différents partages et successions, le Château Léoville Poyferré naît en 1840. Lors du classement des vins du Médoc de 1855, il est élevé au rang de Second Grand Cru Classé.

En 1920, la famille Cuvelier acquiert non seulement le Château Léoville Poyferré, mais aussi le Château Moulin Riche. Intimement liés depuis le XIXe siècle, leurs vins reflètent toute la richesse et la diversité des terroirs de l'appellation Saint-Julien. Le plaisir se décline avec leurs seconds vins, respectivement le Pavillon de Léoville Poyferré et le M de Moulin Riche. Complémentaires et élaborés à partir des vignes les plus jeunes, ils dévoilent par anticipation le caractère fruité et la finesse des Grands Vins.

2020,

THE VINTAGE OF A CENTURY!

Is there a more symbolic vintage for the Cuvelier Family than the one that bookmarks the centennial anniversary of their ownership of this Second Grand Cru Classé of Saint-Julien?

For Sara Lecompte Cuvelier, fourth generation to be at the helm of the domain, this historic vintage deserved to be encapsulated in a special bottle to commemorate this significant milestone.

Léoville Poyferré 2020 est placé sous le signe de la longévité. Son flacon aux tracés indélébiles dévoilera, pour qui goûtera à ses secrets, le style intemporel de Léoville Poyferré.

A unique bottle inlaid with gold, the details of which pay tribute to the enduring strength of Léoville Poyferré: its multifaceted terroir.

What a vintage full of suspense for our vineyard workers, who had to deal with a winter and spring that were both very mild and rainy! Fortunately, warm, sunny weather accompanied their efforts until harvest time. The heat during the first week of picking saw the thermometer easily reach 30°C, resulting in a wonderful concentration of juice in the berries.

Didier Thomann, Cellar Master, praised the exceptional quality of the Merlots from the *Bolitorte* plot, describing them as «racy, generous and opulent». Moreover, the Cabernet Sauvignons from the *Gaunettes* plot, closest to the estuary, offered this vintage exquisite finesse and elegance.

Léoville Poyferré 2020 was born under the sign of longevity. Its bottle with indelible markings will reveal, for those who taste its secrets, the timeless style of Léoville Poyferré.

“ It is with emotion and pride that we unveil our 100th vintage, faithful to the style of the great wines of Léoville Poyferré, and a reflection of the exceptional terroir of which it is composed. ”

ABOUT OUR WINES

The origin of Léoville goes back to 1638. Following various divisions and successions, Léoville Poyferré was born in 1840. In the 1855 classification of Médoc wines, it was endowed the rank of Second Grand Cru Classé.

In 1920, the Cuvelier family acquired Chateau Léoville Poyferré, as well as Chateau Moulin Riche. Intimately linked since the 19th century, their wines reflect all the richness and diversity of the terroirs of the Saint-Julien appellation. Their style is echoed with their second wines, Pavillon de Léoville Poyferré and M de Moulin Riche respectively. Complementary and produced from the younger vines, they invite us to anticipate the fine, fruit forward character of the Grands Vins.

HARVEST DATES
