Manual harvest

The harvest was carried out in 20 kg crates from September 10th to 15th, 2020.

Winemaking

After an exhaustive selection, the grapes are destemmed and pressed gently and slowly in a pneumatic press. The must is clarified by flotation to ensure greater aromatic purity and then fermented at 10°C in stainless steel tanks for approximately 60 days. After fermentation, it remains 2 months with the fine lees in the stainless-steel tank.

Ageing process

7 months in stainless steel tanks and 15% in acacia wood barrels.

Number of bottles

78,533 (0.75 l) | 1,596 (1.5 l).

Pairing

Medium-boiled red shrimp with its coral juice and pickled beetroot ravioli; rose dairy beef sirloin over foie grillé, vermouth and apple sauce; steamed and roasted pil pil hake loin, Norway lobster.

Tasting note

A wide nuanced nose with ripe yellow plum and medlar fruit, subtle notes of bergamot and verbena underpinned by a fine balsamic background. Vibrant palate, well-balanced, fresh and textured. It shows a long and splendid finish.

"A deep and full of nuances vintage that confirms the path began in 2019" María Vargas, Technical Director.
