MALLEOLUS

2022

STORY

A historic wine with deep roots that represented a before and after for the winery. “Malleolus”, meaning vineyard in Latin, the name given to the old vineyards in Pesquera de Duero, is an elegant wine, with great personality and a perfect balance between ripeness and freshness, characteristics given to it by the stony soils of the area.

CHARACTERISTICS OF THE VINTAGE

The favorable spring temperatures accelerated vegetative growth, which was later slowed by the onset of summer. The warm and dry weather persisted through the harvest, resulting in an exceptional concentration and ripeness of the grapes.

WINEMAKING PROCESS

This wine is made completely from the Tinto Fino variety of grape. It has been macerated with its owns skin for 18 days. Following malolactic fermentation in stainless-steel tanks, it is aged in French oak barrels until bottling.

TASTING NOTES

A very ripe dark cherry red colour. On the nose it is intense and with great personality, highlighting ripe black fruits, cassis and blueberries. In the background are notes typical of its maturing in wood, balsamic spices such as pepper and clove with clean notes of leather and tobacco. On the palate it is powerful and balanced, with a great structure of ripe and round tannins, and a long and pleasant aftertaste.
