

“

Este vino es un auténtico espectáculo. Fue embotellado el 20 marzo de 1998 y ha tenido una infinita crianza de 240 meses (20 años) con tapón de corcho. La obsesión de Ton Mata con la viña se ha ido plasmando con excepcionales resultados en prácticamente todos sus vinos. Hace unos años ¿quién iba a pensar que el concepto terruño iba a acabar por asentarse en elaboraciones con la segunda fermentación en botella? No muchos la verdad, y los que lo hicieron como Recaredo han hecho crecer el concepto del vino espumoso de calidad y llevarlo hasta un nivel nunca antes visto.

“

The 1996 Segona Plenitud · 20 Años De Crianza is another unique and limited sparkling from Recaredo. It's very tasty, different, with great complexity and youth. The bubbles are so integrated that they make it nicely textured. It's a white wine with just a spark. This is really complex and unique, even within their wines. The complexity and freshness make it really one of the best sparkling wines I have tasted from Spain.

Un exponente del terruño. Complejo, aromático y con recuerdos elegantes. En boca, es cremoso y envolvente, de gran viveza y con un paso sedoso.

DE RECAREDO

“

The Romanée-Conti of Penedès, coming from a tiny, very old Xarel·lo vineyard, fermentation in oak vats and more than 12 years of age bottle ageing to express itself. A most delicate grand cru.

“

Remarkable texture: elastic but soft; a big earthy wine that become much more wine-like in the glass. Subtle, expressive and very long.

Going against the current fashion, it has a deep pink color, almost ruby and an intense nose. It has the lightness and elegance of a blanc de blancs and the weight of a red.
