HITO  
ROSADO

# STORY

Hito Rosé is the only rosé wine in the Bodegas Cepa 21 range. It was launched with the 2010 vintage to offer the most aromatic version of the Tempranillo variety and was named after the stone posts that indicate direction and distance on roads, or that mark out the land. It is made with grapes from the lowest area of the winery's vineyards, achieving an expressive and very fresh wine.
