Celebrate what matters

YIN & YANG

2016

Yin & Yang, a dynamic duo of limited-edition premium Cap Classique blends form part of the exclusive Artisan Collection. This advanced tier is the creative playground for the skilled team of Graham Beck Cap Classique craftsmen. Within this exceptional milieu they can unveil the artistic ingenuity of artisanal, terroir-driven winemaking, affording them a unique opportunity to create something rare and memorable from a specific vintage.

The very nature of yin-yang lies in the interchange and interplay of these two components. This can be related to the use of Chardonnay and Pinot Noir in crafting premium sparkling wines. The two 'forces' inherent in these two noble cultivars are opposing, yet completely complementary to one another in Cap Classique blending.

In both these exquisite Cap Classiques the harmonious balance of Pinot Noir and Chardonnay is beautifully highlighted and delightfully celebrated. Yin displays an inward earthly energy, which contributes complexity and structure while Yang displays an outward heavenly energy, characterised by supreme elegance and finesse.

Yin and its counterpart Yang celebrate life's compelling and captivating contrasts - proving that opposites can co-exist and complement each other perfectly. Both blends highlight these two cultivars' unique and subtle interplay, and the magic they bring to the sum of the parts.

The nature of this extraordinary relationship lies in the captivating chemistry between these two varieties.
