FAMILY WINERIES

CRETA 2022

FINCA VILLACRECES - D.O. RIBERA DEL DUERO

GRAPE VARIETIES

100% Tempranillo.

VINEYARD

Valdelascuevas, Quintanilla de Arriba. Plateau facing Finca Villacreces. Located at approximately 900 meters above sea level.

TASTING NOTES

Deep cherry-red color with bluish hues and high intensity.
The nose shows high aromatic intensity, featuring ripe black and red fruits, with mineral nuances and notes of toast and café au lait.
On the palate, it presents a fresh entry, persistent character, fine tension, and well-defined structure, leading to a long, fruit-driven finish.

SUSTAINABLE WINERIES for Climate Protection

YIELD

4.000-5.000 kg/ha.

VINE DENSITY

2.000 and 2.700 plants/ha.

SOIL

Predominantly sandy-loam soils with a high percentage of limestone.

OROGRAPHY

Gentle slopes with varying exposures

AVERAGE TEMPERATURE

Continental with Atlantic influence; average annual temperature 11.5 °C and approximately 2,400 hours of sunlight per year.

RAINFALL

350-400 mm.

VITICULTURE

Integrated and sustainable viticulture practices

HARVEST

Hand-harvested in 20 kg crates.

DESTEEMING

Destemmed without crushing.

ALCOHOLIC FERMENTATION

In concrete and stainless steel tanks

MALOLACTIC FERMENTATION

In concrete and stainless steel tanks

FILTRATION METHODS

Membrane filtration prior to bottling

CLARIFICATION METHODS

ALCOHOL

14,5 %.

TOTAL ACIDITY AND PH

6,5 g/l, 3,57.

AGING

12 months in oak barrels and concrete tanks.
