## 2023 BLANC DE BLANCS

CALIFORNIA

### WINEMAKING NOTES

This sparkling Chardonnay, crafted in the Traditional Method, offers a harmonious expression of refinement and character. Crisp and flirty, this wine is made from Chardonnay grapes from our River Ranch.

### TASTING NOTES

On the nose, delicate aromas of crisp green apple skin intertwine with a faint nuttiness, evoking a sense of depth and intrigue. The mid-palate reveals notes of freshly baked sponge cake drizzled with a whisper of lemon glaze, complimented by an inviting brioche character that lingers elegantly. The fine, persistent mousse carries these flavors gracefully, leading to a finish that is both bright and sophisticated.

### FERMENTATION

Traditional French Méthode Champenoise: aged on the lees “en tirage” and disgorged with a classic cork and cage to capture all the sparkling bubbles.

### VARIETALS

100% Chardonnay
