

BORDEAUX

Château de LAVAGNAC

BORDEAUX

VARIETALS:

75% Merlot ; 20% Cabernet Sauvignon; 5% Cabernet Franc

OWNERS: Michèle & Philippe RIVIÈRE

SITUATION: Located in the city of Sainte Terre, 5km south of Saint Emilion.

AREA: 20 Ha

SOIL: Sandy-clay

VINIFICATION: Integrated cultivation, manual leaf removal, green harvesting. Vinification in temperature-controlled stainless steel vats.

TASTING: The harmonious balance of these grape varieties gives it great finesse. The constant work carried out in the vineyard in the purest tradition of the Bordeaux region allows us to obtain a wine with balanced, fruity tannins and a great freshness in the mouth. It will be the perfect companion for your meals with friends.

(TASTING NOTES PAGE 2)

1. For more than 15 years, all our estate wines have been cultivated and vinified according to the principles of sustainable agriculture. Since 2015, we have been striving not to use any chemical products on our land. At the same time, we have implemented a thorough and ecological tillage of the soil.

2. As of the 2018 harvest, the property is certified HVE 3 (High Environmental Value) "an official recognition of the environmental performance of winegrowers", in order to have a recognised eco-responsible approach.

BORDEAUX

2016

GILBERT ET GAILLARD 2018 79/100

« Light garnet colour. A slightly voluble nose, discreetly fruity (strawberry, redcurrant). The palate displays a fluffy texture, a tender and simple fruit, a freshness of good aloi. A ready to use vintage on grilled meat.»

2015

Gold Medal GILBERT ET GAILLARD 2017

« Beautiful deep ruby colour. Deep nose, floral notes and small red fruits. On the palate, it is a supple, easy-drinking Bordeaux, with a preference for fruit. The finish remains clean and fragrant. A beautifully crafted Bordeaux.»
