

SCHLOSS JOHANNISBERG RIESLING RHEINGAU GOLDLACK TROCKEN 2022

For a vintage that was so challenging, because it was so hot and so dry, this has an amazing, flinty vitality and super-dense apricot, apricot-skin and mirabelle-plum flavors on the very focused, medium-bodied palate. Then a huge wave of stone minerality hits you but, after it has passed, the finish is as still as a mountain lake. From organically grown grapes with Fair'n Green certification. Almost limitless aging potential. Drink from release.
