

GPL : A GREAT TERROIR, A FAMILY, A CONSISTENT STYLE

A family-owned estate, lived in and fully managed by the family.

63 hectares of vineyards in one single block, with 30 hectares of woodland at its heart.

The vineyard layout has remained unchanged since 1855 a rare feature in the Médoc.

GPL is a wine that enthusiasts truly enjoy opening.

Active biodiversity (agroecology), HVE3 certified since 2019, with ongoing CSR commitment.

Great wines, always true to their terroir and brought to life by a family.

LACOSTE-BORIE : A DISTINCT CUVÉE, ANOTHER IDENTITY OF GPL

Uprooted between the wars and replanted from 1978 after 50 years of rest.

Identified vineyard area on the western side of GPL (behind the park), with vines over 30 years old.

First vintage: 1982.

A specific blend for more than 10 years, marked by the presence of Cabernet Franc.

New winery: parcel-by-parcel vinification.

A dedicated ageing cellar.

Another expression of Pauillac more immediate, yet just as precise.

THE NEW WINERY: A STRATEGIC TURNING POINT

Gravity-fed winery (24 small vats) for more precise parcel selection.

A climate-controlled, multi-purpose bottling room, also usable as a pressing area.

Optimized working conditions: safety and comfort.

True to the DNA of GPL: combining tradition, modernity and a forward-looking vision.

A timeless exterior in the heart of nature, with a modern and functional interior.

First vinification: September 2025.

A precision tool serving the terroir, without ever compromising the signature of GPL.

THE 2025 VINTAGE: A NEW BENCHMARK FOR A GREAT GPL VINTAGE?

A dry year → excellent sanitary conditions.

A fast and even growing cycle.

Historically early harvest (September 4th → 18th).

Low yields (≈ 30 hl/ha).

Final blend completed in December 2025.

2025: early, precise and rare, combining freshness with a pure expression of the terroir.

Lacoste-Borie 2025 « Vignes du Parc » :
