

# Harmonie Rox

Coonawarra • Chardonnay • 2021

From the Southern corner of South Australia, **Harmonie Rox** reigns in a world dominated by big, bold, ageing reds. Vibrant and free, she embodies the spirit of earth and peace in perfect unity with nature., rebelling against conformity. Watch as she parades through the world.

Unsatisfied with reds ruling the Coonawarra region for years, we've liberated these top-notch grapes and created the unthinkable ... a fresh and vibrant Chardonnay!

Single varietal, single vineyard.

<b>Name &amp; Vintage</b>	Harmonie Rox 2021
<b>Grape variety</b>	100% Chardonnay
<b>Region</b>	Coonawarra
<b>The Wine</b>	<p>A captivating Chardonnay with grapes from the Coonawarra region which is usually well known for its Cabernet Sauvignon. So, in true RedHeads fashion, we have created a diamond in the rough!</p> <p>The Coonawarra is a cool climate region on a similar latitude to the Yarra Valley, which is renowned for producing world-class Chardonnay. However, the Coonawarra provides a limestone bed (like Burgundy) which adds to Harmonie's vibrant and delicious flavour.</p> <p>If that doesn't make this wine special enough, it is the Mendoza clone, which is also grown in Margaret River and Napa Valley.</p>
<b>The Growers</b>	Owner Jack Burston and vineyard manager Rae Clark. Great supporters of small winemakers and the RedHeads movement.
<b>Tasting Notes</b>	Lifted white peach and nectarine characters with hints of mandarin. Medium palate weight, dry with a citrus mandarin finish.
<b>Maturation</b>	Fermented in French oak vat, French oak barrels and a portion in stainless steel to retain freshness.
<b>Food Match</b>	Perfect with a cheese platter with dried apricots and honey.
