

N.A

BRINGS PEOPLE
TOGETHER

Welcome to
our family.

Quick.guide

1

Charge your product

2

Download The.App

3

Turn on your product

4

Connect with Bluetooth

5

Go to The.App

6

Connect

If you have another product, just turn it on. It easily takes over the music and light from your main (first) product.

Play the music of your choice and switch colors if you like.
