PIRQUE - CHILE

## OUR VINEYARD

OUR VINEYARD IS NAMED AFTER THE INDIGENOUS CHIEF PICUNCHE ANDETELMO, "THE PRINCIPAL", MASTER OF THE LANDS WHICH TODAY IS HOME TO OUR TERROIR, AT THE FOOT OF THE MOUNTAINS KNOWN AS THE CORDILLERA DE LOS ANDES, IN THE VALLEY OF THE ALTO MAIPO. HIS VISIONARY AND PEACEFUL CHARACTER GAINED HIM THE RESPECT OF THE SPANISH CONQUERORS RESULTING IN A HISTORY OF TOLERANCE AND EXCHANGE WHICH HAS ENDURED UP TO THE PRESENT TIME. TODAY, THE SPIRIT OF ANDETELMO IS STILL PRESENT IN OUR WINES WHICH EXPRESS ALL OF THE NOBILITY AND QUALITY OF A UNIQUE TERROIR.

## OUR TERROIR

There are many factors which contribute to the uniqueness of El Principal wines but undoubtedly one of the most important is its exceptional terroir.

Today , the Andetelmo Estate, which extends over 90 hectares of vineyards is located in the Valle de Alto Maipo (Maipo Andes Certificate of Origin ), on the slopes of the Cordillera de los Andes, at about 750 and 950 meters above sea level.

## ENOLOGICAL CONCEPT

The enology of Viña El Principal is developed beginning with the vineyard. These wines are produced using grapes exclusively grown on its premises and where the vineyards are studied and analyzed on a permanent basis regarding plant physiology and their relationship to the terroir in order to identify and perfect the best blocks and in this way obtain the highest quality raw materials. All harvests are carried out manually, with controlled productions and careful selection of clusters both in the field as well as in the warehouse. Later we go through a careful process of traditional Bordeaux fermentation and aging in oak barrels, which results in a one of a kind wine capable of reflecting the elegance and identity of the terroir.
