

HITO

2019

HISTORY

The word “HITO” means a stone post, sometimes carved, which is used to indicate the direction or distance of paths or to mark boundaries. Hito is a young wine introduced to complete the range of a modern and innovative winery. It is produced using the winery’s youngest vineyards grafted with the Tinto Fino clone selected from Bodegas Emilio Moro’s most emblematic vineyards.

CHARACTERISTICS OF THE HARVEST

The 2019 vegetative cycle was preceded by the April rains. However, from the middle of spring until the end of summer, the year was characterised by scarce rains and temperatures that were higher than expected. The harvest began after a few rainy days, which helped to balance the grapes’ composition and resulted in a year of extraordinary quality and optimal health.

WINEMAKING PROCESS

The wine was produced using grapes harvested from the lowest parts of our vineyards, which were then fermented at a controlled temperature in steel tanks for 30 days and aged in French oak barrels.

TASTING NOTES

Deep cherry red in colour with a violet rim. Its bouquet is frank and expressive with fresh primary aromas of tempranillo, blackberry and redcurrant. In the mouth, it is balanced and smooth with good acidity.

TECHNICAL DETAILS

Apellation: Ribera del Duero

Soil: Limestone - Clay - Stony

Location: Castrillo de Duero

Orientation: North and South-east

Malolactic F: 12 days in stainless steel deposits

Variety: Tempranillo

Ageing: French oak barrels
