

# FINCA RESALSO

## 2021

### STORY

Finca Resalso is the name of a historical vineyard which was planted in 1932, the year in which Emilio Moro was born. This is the name we have given to our young wine, which is made from grapes from our young vines.

### CHARACTERISTICS OF THE HARVEST

The 2021 vintage saw mild Spring temperatures, abundant rainfall in April and a summer with temperatures slightly lower than usual, which slowed the plants' vegetative cycle. Rain was scarce at the beginning of Autumn, promoting the ripening of the grapes.

### WINEMAKING PROCESS

The wine macerates with its own skins for 12 days, so later the malolactic fermentation is made for 30 days in stainless steel deposits. Finally, it is aged in French oaks barrels

### TASTING NOTES

Cherry red color with a violet rim typical of its youth. In the nose it is expressive and intense where the primary aromas of Tempranillo stand out and are clearly perceived. In the mouth it is balanced and well-structured, with a pleasant aftertaste that invites to drink again.
