Superior Chandon  
Sparkling Wine

and 1/2 sugar of an  
Italian Spritz

## EXCEPTIONAL SPARKLING WINE

We use the  
**Slow-Ferment Long Chardat Method:**

Harvest in January/February and pressing.  
1st fermentation in tank then tasting.  
Blending.  
2nd fermentation and ageing in tank.

## SECRET BLEND OF SPICES

Carefully selected spices from the best  
terroirs in the world.

Several spices & herbs among which we have  
cardamom, black pepper, quassia and chamomile.

Spices are individually macerated in ethyl  
alcohol made from grapes.

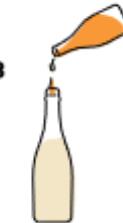

## AROMATIC ORANGES

Harvest in August under the supervision of  
our winemakers. Valencia oranges are carefully  
selected for their quality.

They are cleaned and peeled by hands.

Orange peels are dried.  
Dried peels and fresh zest are then separately slowly  
macerated with alcohol made from grapes.

## BLENDING + BOTTLING

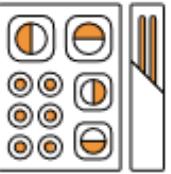

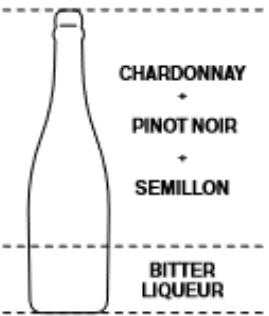

The Garden liqueur is added to our  
Argentinian sparkling wine just before  
bottling to create Chandon Garden Spritz.

## GARDEN LIQUEUR

### KEY FLAVOURS

Spicy character

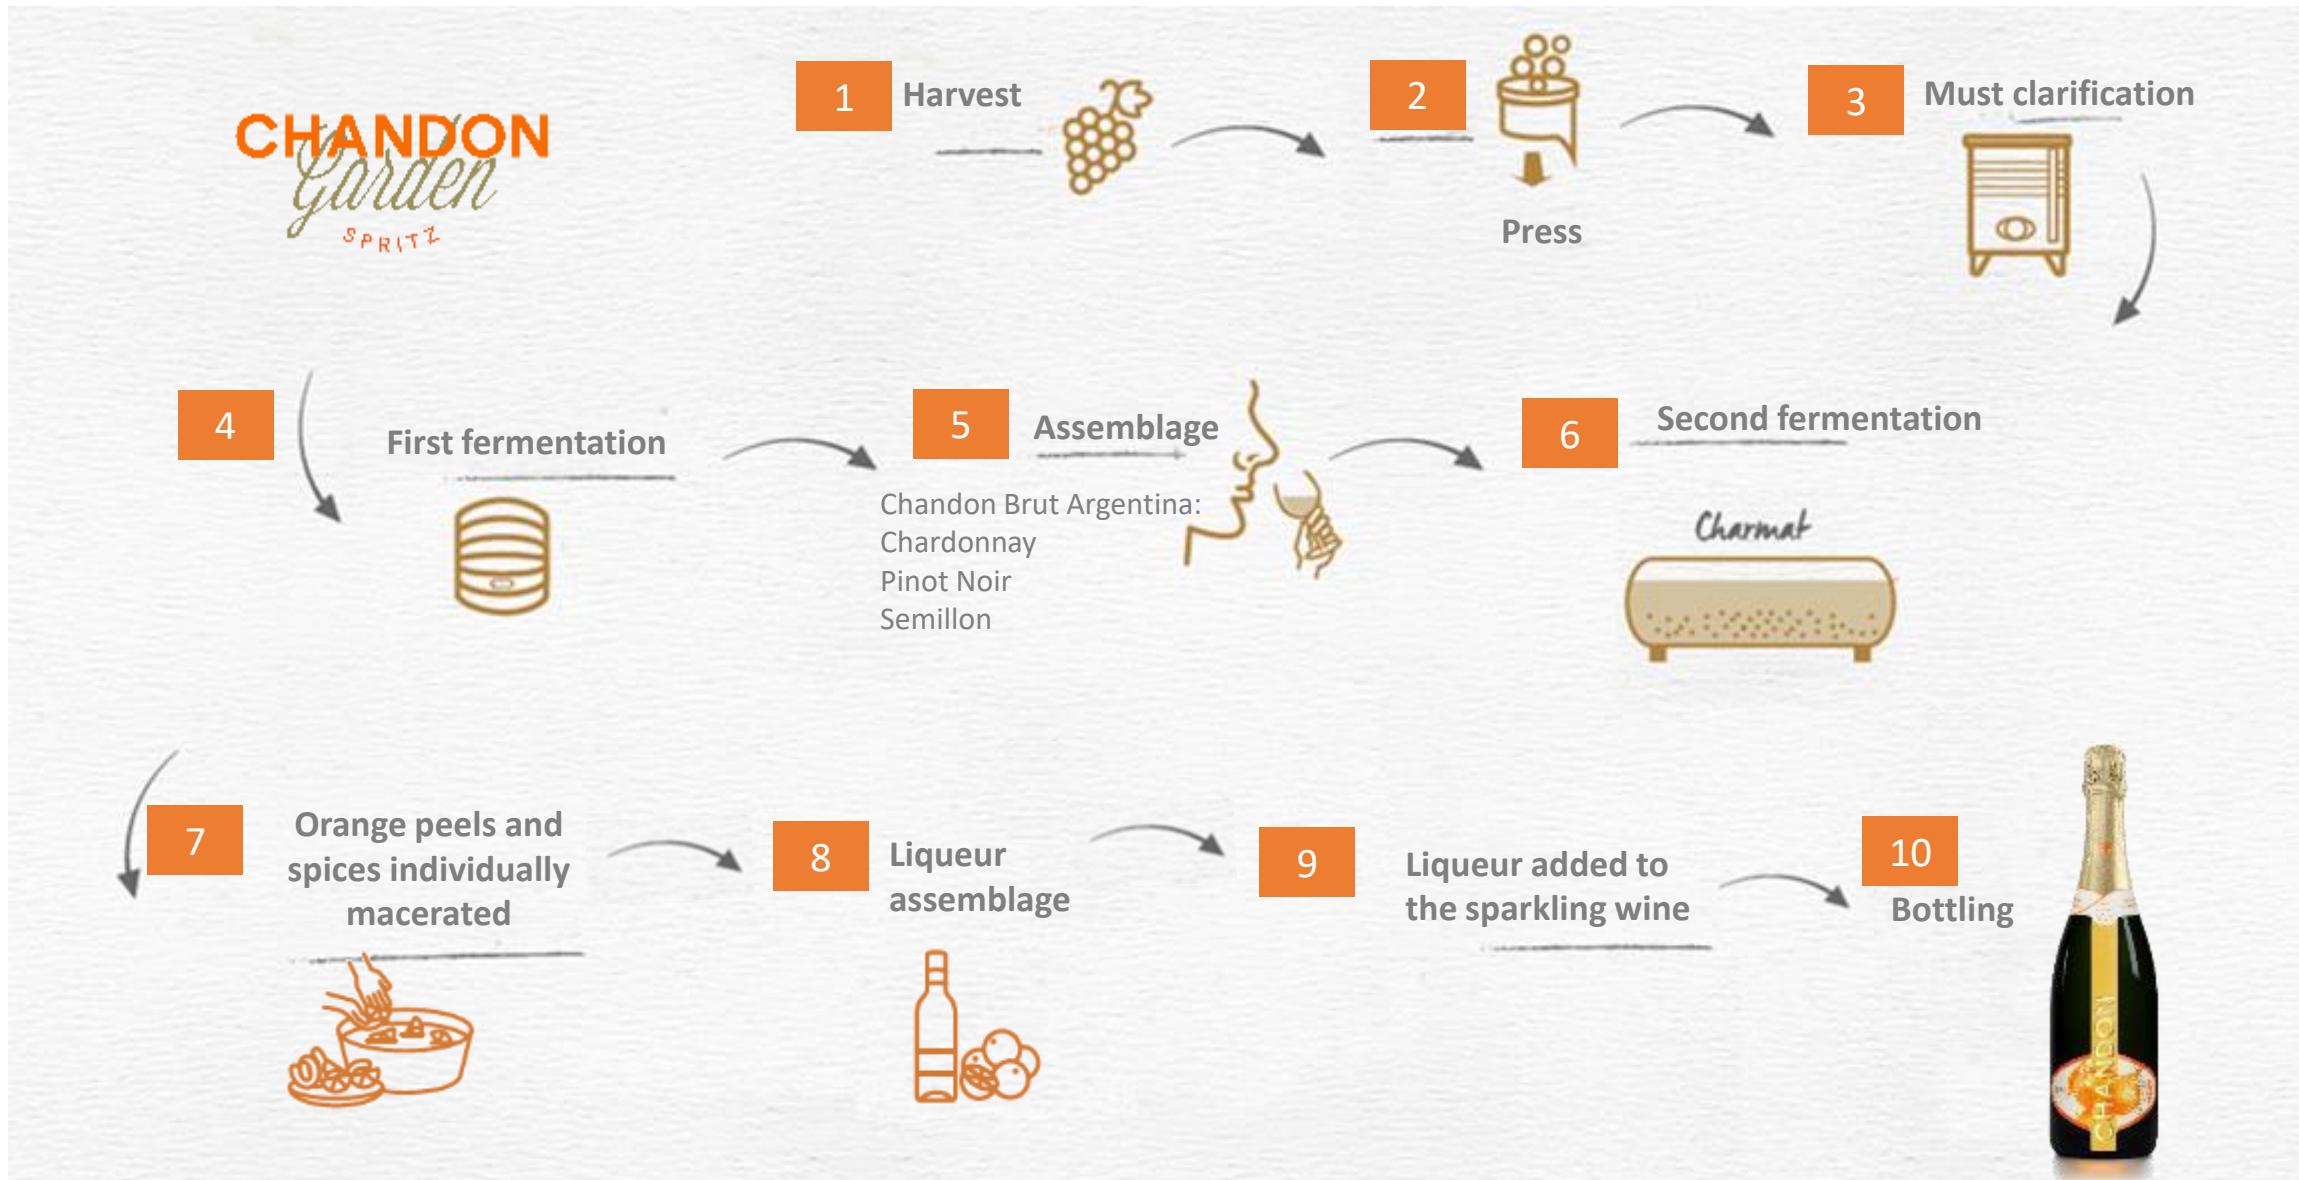

Zesty yet rich  
orange flavours

Nice citric tension  
which balances the  
sweetness

Bitterness becomes more obvious at the end, to bring  
some taste lift which counterbalances the sweet character  
and invites to repeat the sip.

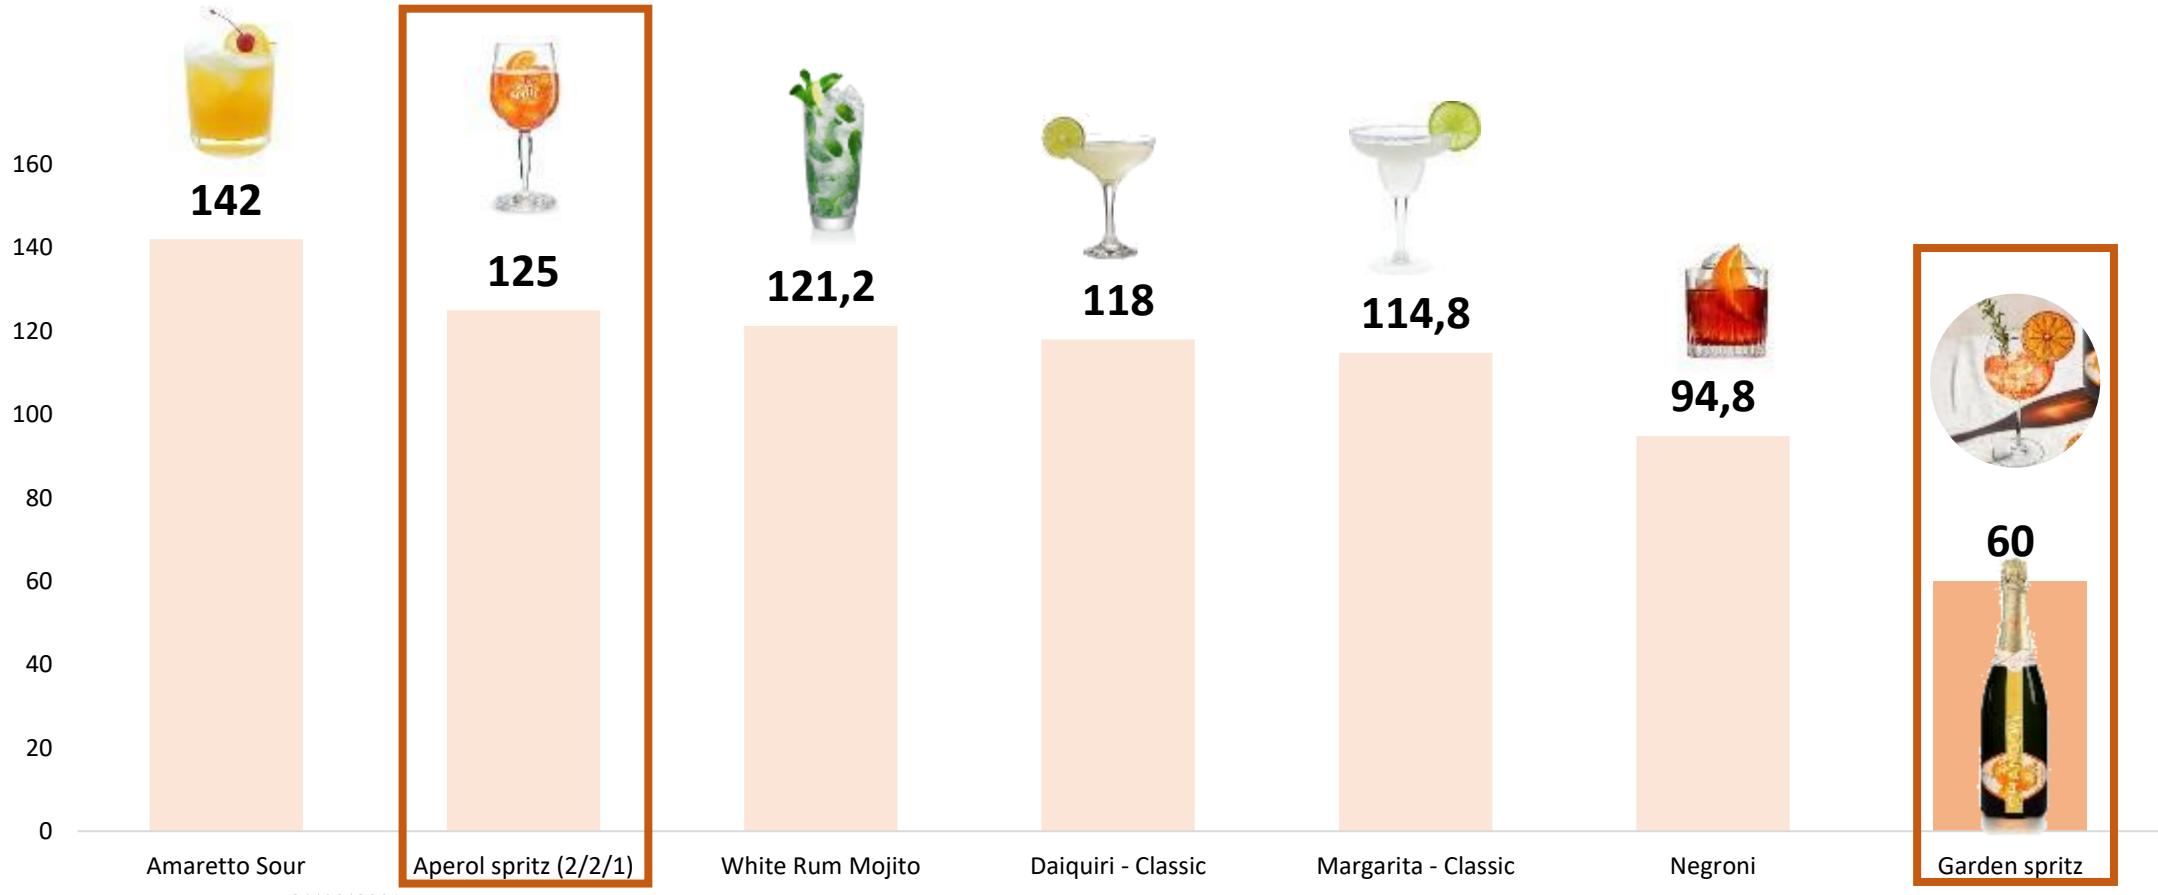

# Craftsmanship in the ELABORATION PROCESS

Garden Spritz has HALF OF sugar than an Italian Spritz and other popular cocktails
